

MICRO SLIT

We seek to provide the most excellent sharpening technique and highest quality scissors.

Patentee of usa.

【For dry hair use】

This product is sharp for dry hair cutting. It keeps dry hair stable when cutting.

【Flat screws】

It is beautifully designed with flat screws and much easier to use.

Three-dimensionally designed to make cutting tremendously easy.

\$950

THE SHARPNESS OF THE SCISSORS LASTS AND LASTS.

Micro Slit Episodo

We've sought a better method for dry hair cutting for years, experimenting with different materials and shapes of the blades. Finally we produced the Micro Slit. We are confident this fine product will satisfy all of your hair-cutting needs.

THE DESIGN OF THESE SCISSORS IS THE RESULT OF MUCH STUDY.

We took out a patent for the hitribber with no hole.
